

A woman with dark, curly hair and a patterned top stands in a dark room. A bright green beam of light from above illuminates her face and the wall behind her, creating a strong contrast with the surrounding darkness. The beam of light also casts a shadow on the wall to her right.

“ Education is, quite simply, peacebuilding by another name. It is the most effective form of defense spending there is.

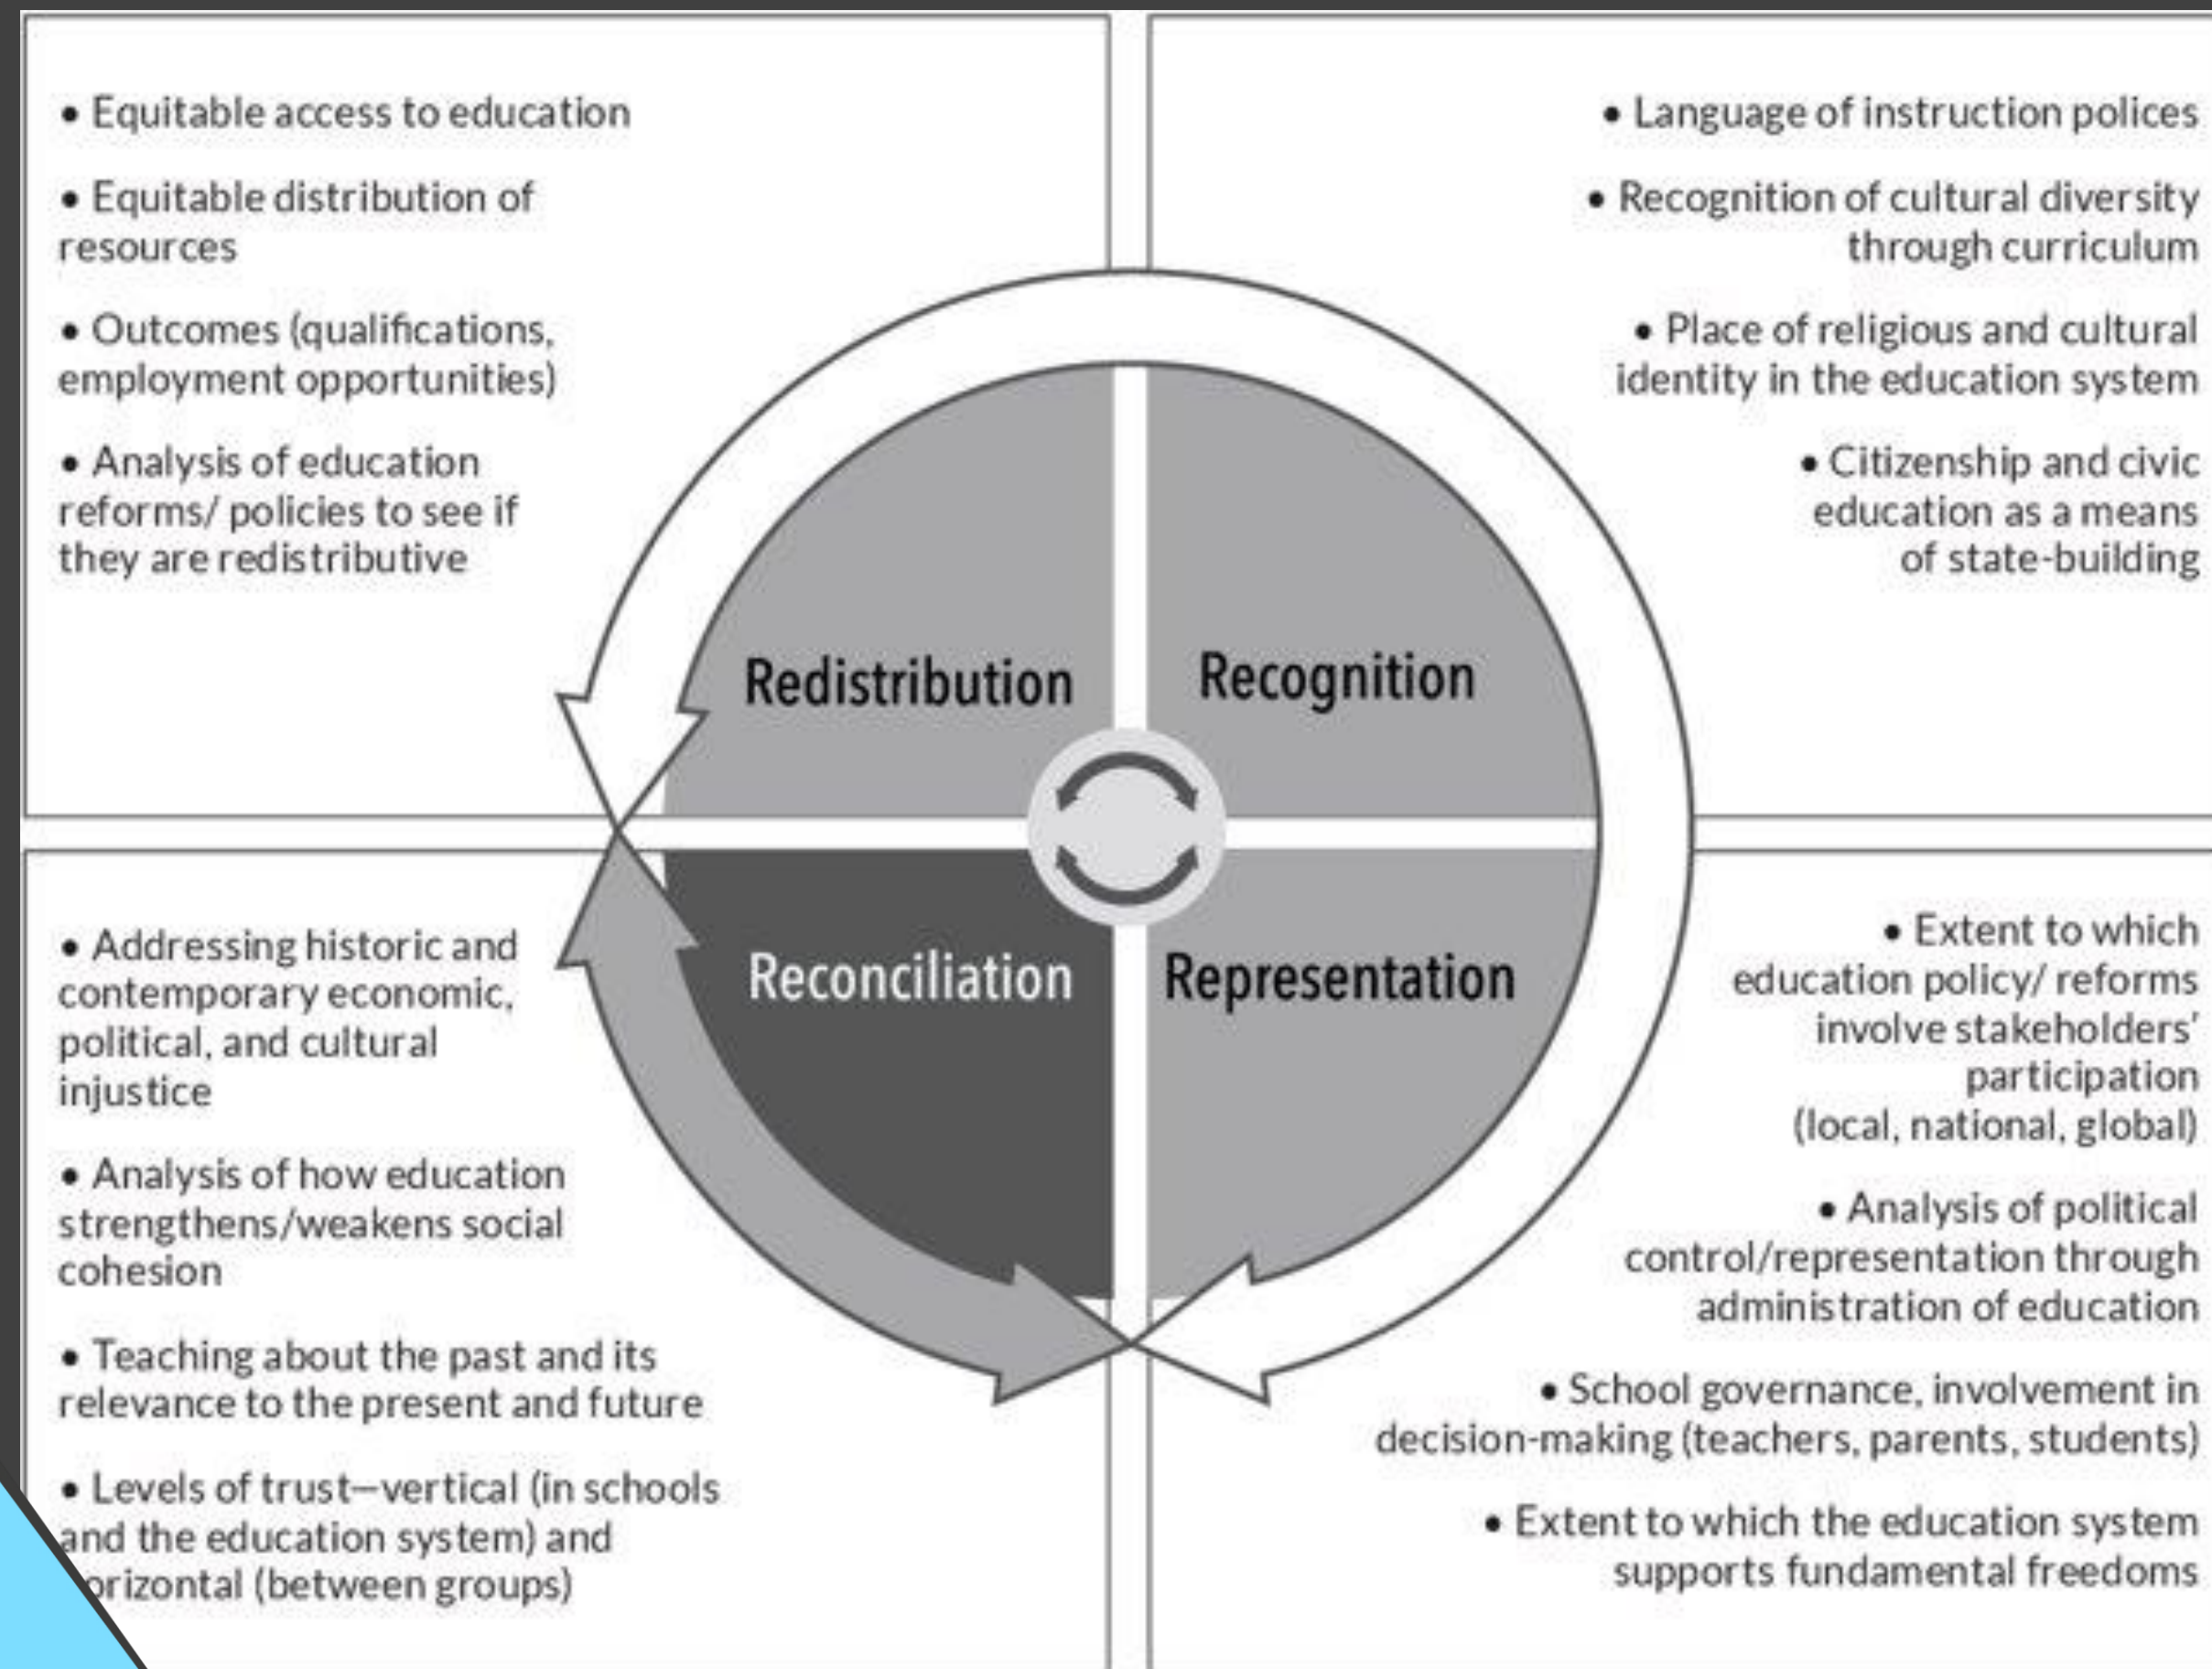

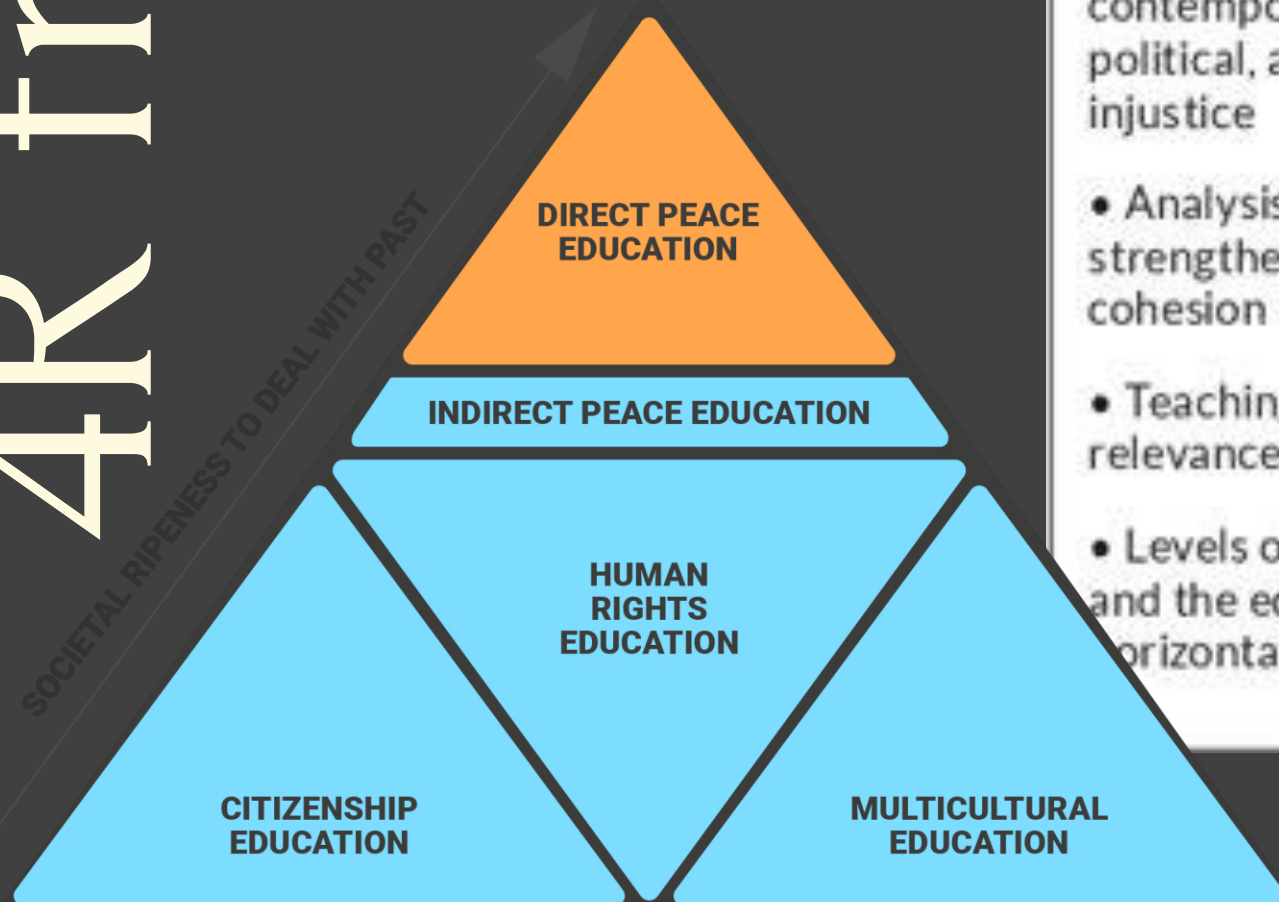

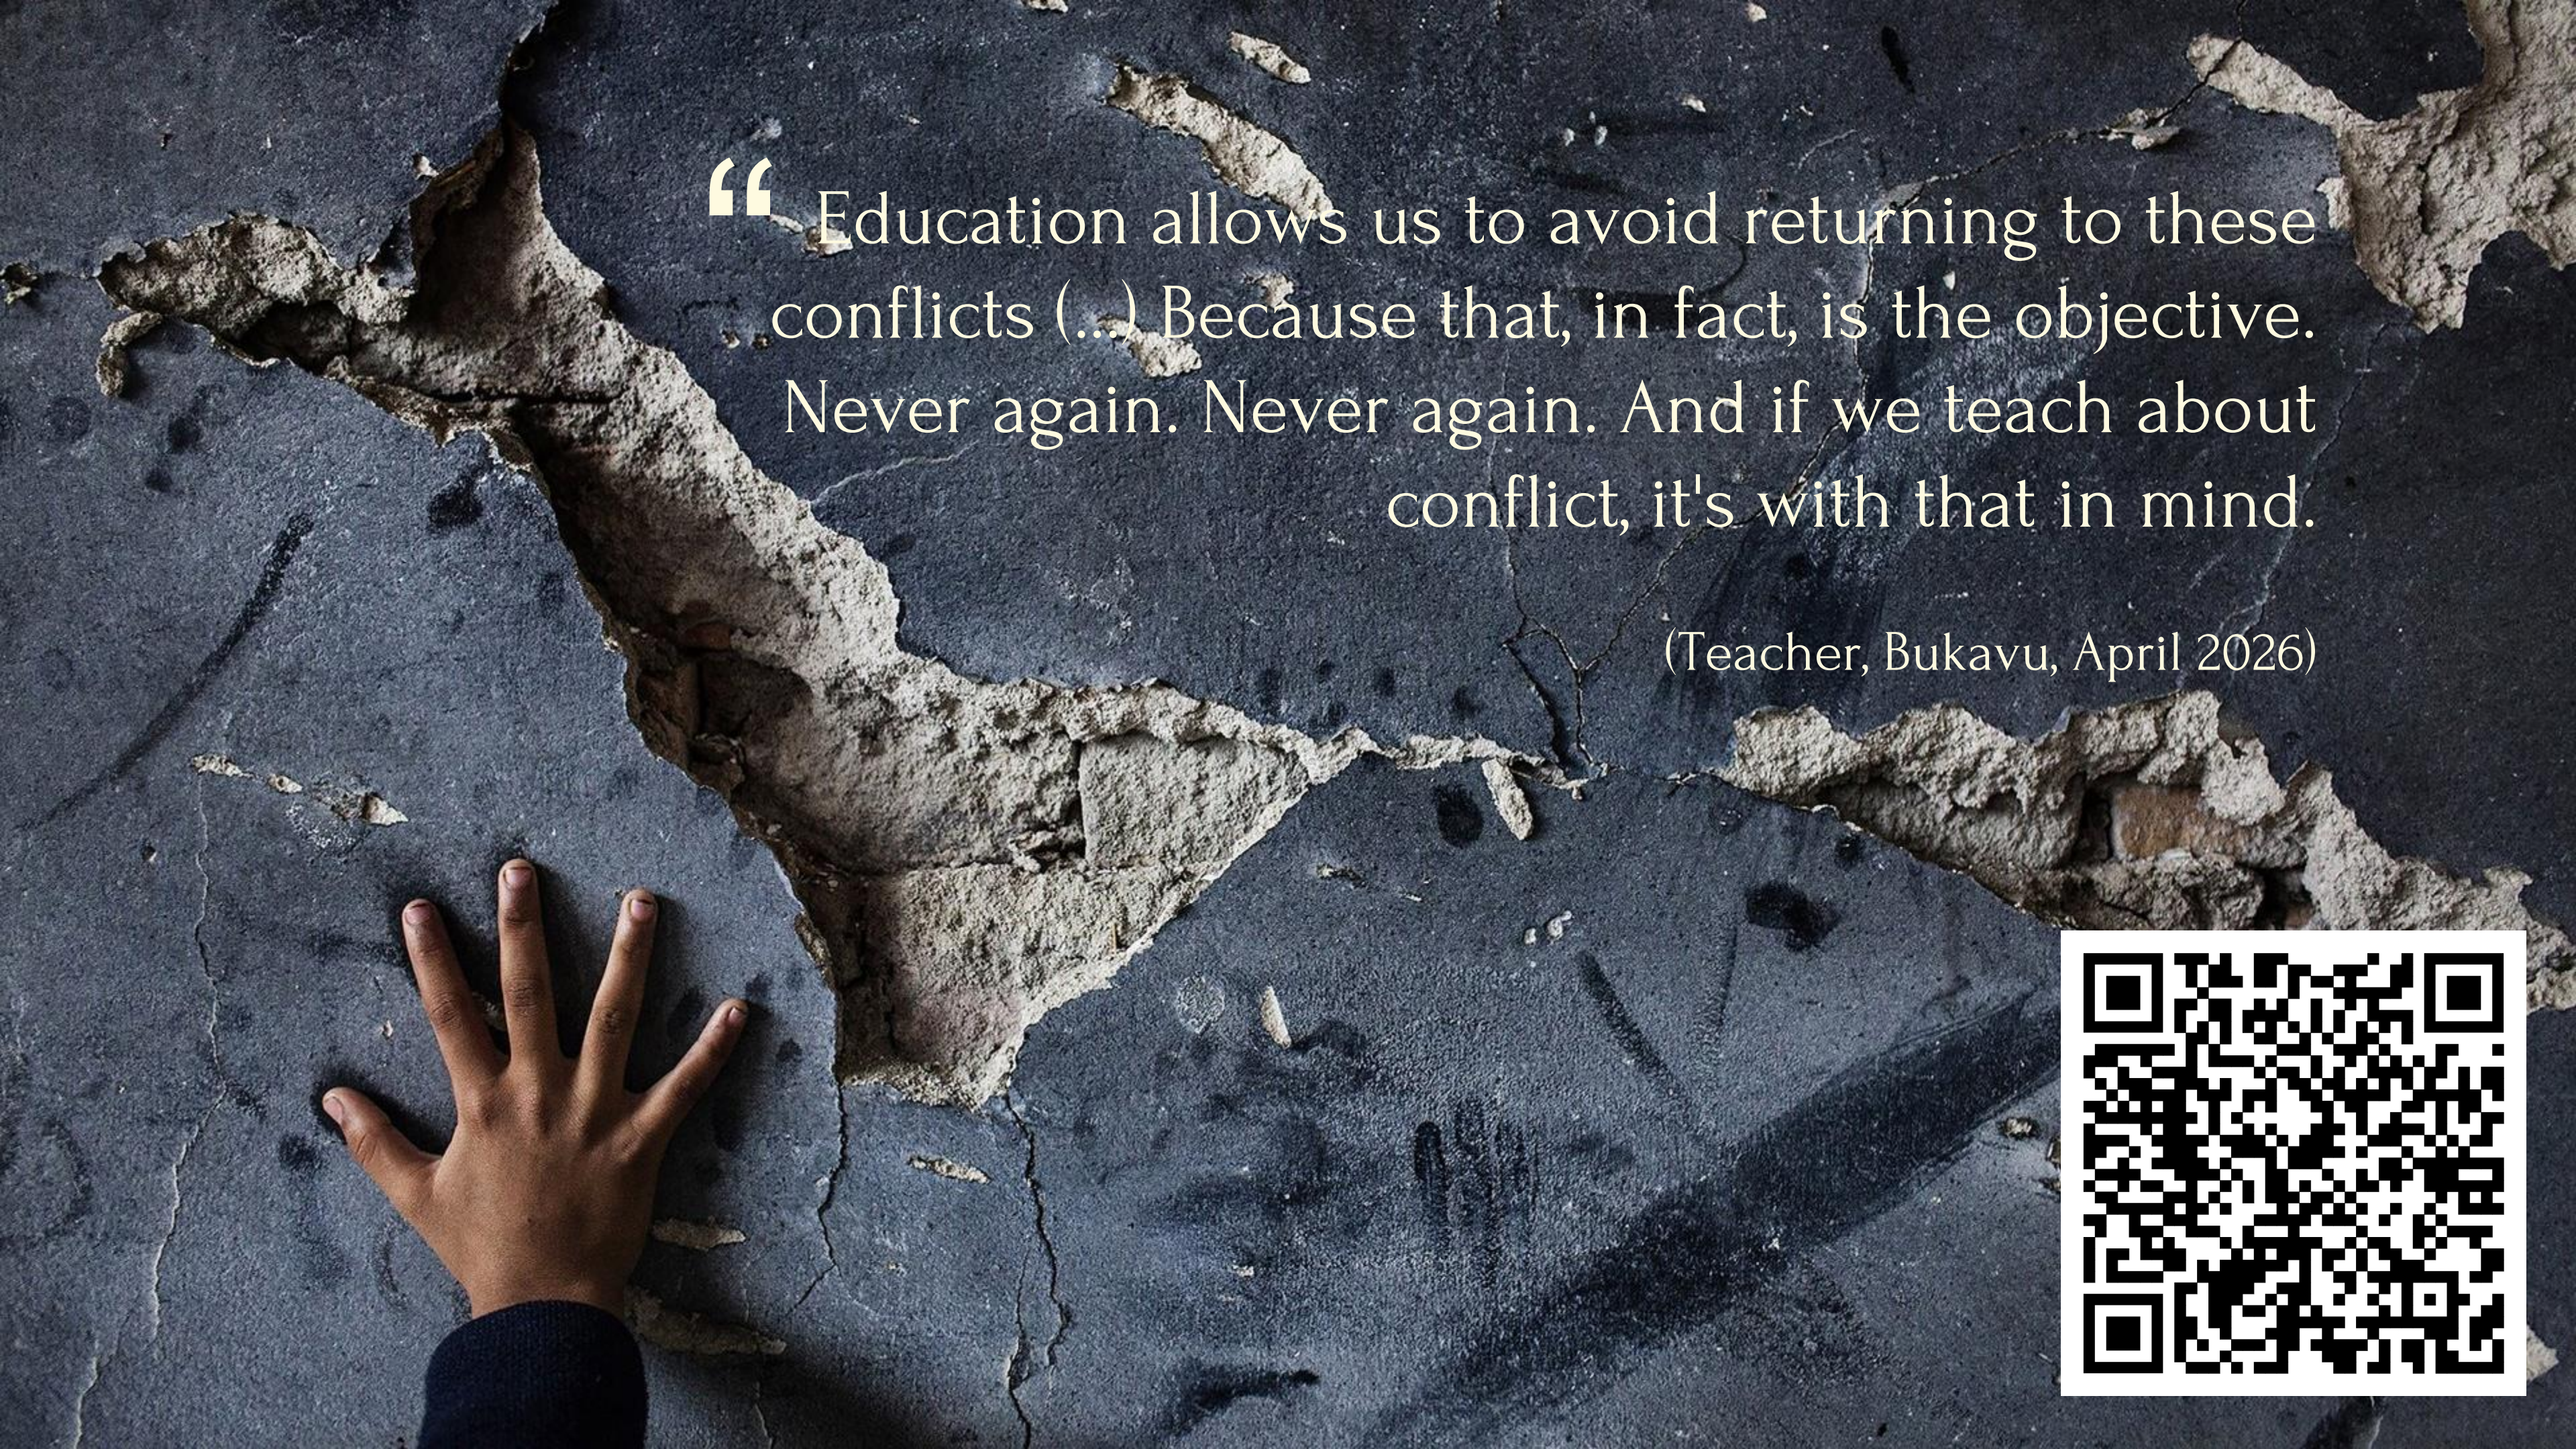

“Education cannot be assumed to be an unquestioned force for good, nor for bad. Rather, there are two faces of education.

A hand is shown touching a dark blue wall with peeling paint, revealing a lighter, textured surface underneath. The hand is positioned in the lower-left corner. A QR code is located in the bottom-right corner of the image.

“ Education allows us to avoid returning to these conflicts (...) Because that, in fact, is the objective. Never again. Never again. And if we teach about conflict, it's with that in mind.
